

NAME **BLT**  
TRAVEL **80MM FRONT**  
WHEEL SIZE **26**

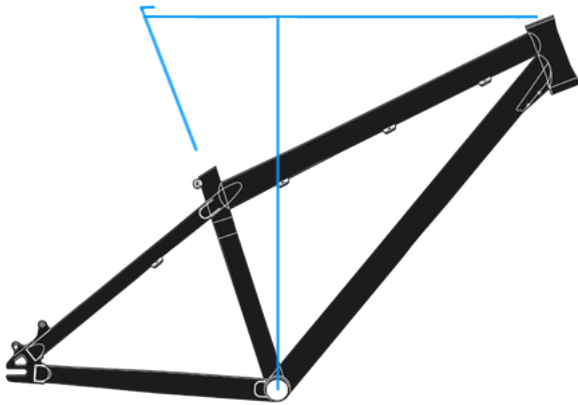

## BLT OVERVIEW

The BLT (Banks, Lips & Transfers) is for the hardtail purest that is addicted to throwing tricks. Aggressive angles and an incredibly short rear end make it the most maneuverable bike we make. Comfortable riding street, skate parks or dirt jumps, the BLT is designed to throw tricks with the least amount of effort possible. The 0mm bottom bracket drop also makes it one of the easiest bikes on the planet to manual.

Now Ships as an Assembled Complete Bike
