## USAGE DISCLAIMER!!!!!!

All logos are scaled 1:1. Decals applied at the factory use a water based system that stretches and conforms to the frame surface so it distorts the decal. Simply using this file to make decals to lay over the old decals will not be a perfect fit. It is up to you to modify the scale of this file to work for your application.

Transition Bikes is not responsible for the fit and finish of any aftermarket decals applied to the frame.
